##### FOREIGN DEPARTMENT.

Revised, the 26th June 1911.

No. 1939-F.—The following Regulations which have been recently revised by Command of His Majesty the King, Emperor of India, are published for general information:

*Regulations regarding Foreign Orders and Medals.*

"1. It is the King's wish that no subject of His Majesty shall wear the Insignia of any Foreign Order without having previously obtained His Majesty's permission to do so, signified either—

- (a) By Warrant under the Royal Sign-Manual, or
- (b) By private permission conveyed through His Majesty's Private Secretary.

2. Permission given by Warrant under the Royal Sign-Manual will enable the Esquire of the Foreign Order to be worn at all times and without any restriction.

Private permission will only enable the Esquire to be worn on the occasions specified in the terms of the letter from the King's Private Secretary conveying the Royal Sanction.

3. The full and unrestricted permission by Warrant under the Royal Sign-Manual is designed subject to the exception mentioned in Rule 4(a) respecting British Naval or Military Officers during hostilities, in such cases where the Decree may be said to have been earned by some valuable service rendered to the Head of the State conferring it, or to the State itself. The private or restricted permission is contemplated for Decrees which are more or less of a complimentary character. In such cases, the motto will be sanctioned to the King by His Majesty's Principal Secretary of State for Foreign Affairs.

4. Full and unrestricted permission by Warrant under the Royal Sign-Manual is contemplated in the following cases:—

For a Decree conferred:—

(a) On an Officer in His Majesty's Naval or Military Forces sent to a Foreign Government, or on an Officer in His Majesty's Naval or Military Forces attached by his Government to a Foreign Navy or Army during hostilities; or on any British Official sent to a Foreign Government and sent in receipt of any assignments from British public funds during the period of such leave.

(b) On any person not at the time in the service of the Crown, who, while himself outside the limits of His Majesty's Dominions, has rendered valuable services to the Head of the State conferring the Order, or to the State itself, within the period of two years immediately preceding the conferral of the Decree, to His Majesty's Government provided for in Rule 5. The term "services shall denote" (supra) comprises any person holding a Royal Commission, or any person in receipt of a salary from public funds in the United Kingdom, or in any British Dominion, Colony, or Protectorate.

(c) On any British subject employed in a Foreign Embassy or Legation in the United Kingdom.

5. The desire of the Head of a Foreign State to confer upon a British subject the Esquire of an Order, or the fact that he has done so, must be notified to His Majesty's Principal Secretary of State for Foreign Affairs either through the British Diplomatic Representative accredited to the Head of the Foreign State, or through his Diplomatic Representative at the Court of St. James. His Majesty's Principal Secretary of State for Foreign Affairs shall be under no obligation to consider claims that are not brought to his notice through one of these channels.

6. When His Majesty's Principal Secretary of State for Foreign Affairs shall have taken the King's pleasure on any such application, and shall have obtained His Majesty's permission for the person in whose favour it has been made to wear the Esquire of a Foreign Order, he shall signify the same to His Majesty's Principal Secretary of State for the Home Department in order that he may issue a Warrant, if it be a case, for the issue of a Warrant defined in Rule 4, to be prepared for the Royal Sign-Manual.

When such Warrant shall have been signed by the King, a notification thereof shall be issued in the "Gazette," stating the service for which the Foreign Order has been conferred.

Persons in whose favour such Warrants are issued will be required to pay to His Majesty's Principal Secretary of State for the Home Department a stamp duty of two

The Warrant signifying His Majesty's pleasure may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms. Every such Warrant so attested shall contain a clause providing that His Majesty's licence and permission does not entitle the assumption of any title, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of His Majesty's Realm.

7. Where a British subject has received the Royal permission to accept the Decree of a Foreign Order, he will, at any future time, be allowed to accept the Decree on a higher class of the same Order, to which he may have become eligible by service of rank in the Foreign Service, or in the service of his own country; or any other distinctive mark of honour strictly equivalent upon the acceptance of the original Decree, and likewise to every person upon whom such Decree is conferred.

8. Medals which constitute a particular class of a Foreign Order are subject in all respects to the above Regulations in the same manner as higher grades of the Order, except that permission to wear will be given by Letter and not by Royal Warrant. The King's pleasure must be obtained for any other Medal to be worn. No permission is needed to accept a Foreign Medal if it is not intended to be worn.

9. Naval and Military Attachés to His Majesty's Missions abroad may, at the invitation of their appointing authority, in great restricted private permission be wear, on certain specific occasions, the Esquire of a Foreign Order conferred upon them by the Head of the State to which their headquarters were attached.

# FINANCIAL DEPARTMENT

## NOTIFICATIONS

Dated, July 18, 1911.

No. 17.—The following resolution of the Government of India is republished:—

## FINANCE DEPARTMENT

Wills, 24th June 1911

Reference.—By the Government of India, Finance Department.

No. 2035-F.E.—In their Resolution No. 211-7, dated the 10th January 1904, the Government of India set forth the circumstances in which they deemed it desirable to constitute a new Family Pension Fund, under the style and designation of the Bengal and Madras Service Family Pension Fund. It was assumed that the Fund would, at the outset, be under Government management, but that when a body of subscribers of sufficient strength came into being, Government would, as in the case of other similar funds, hand over to them the conduct of business. It was at the same time intimated that, pending the completion of the necessary statutory enactments, the existing rules of subscription to the Bengal Unincorporated Service Family Pension Fund, would be provisionally adapted for the new fund.

2. The statutory enactments have now been completed, and it is desirable to place the fund upon a permanent footing. The rules and tables attached to this Resolution have accordingly been prepared, and the Government-General in Council is pleased, with the approval of His Majesty's Secretary of State, to declare that the operations of the fund shall in future be governed by their provisions.

3. The rules of subscription to the Daughters' Branch, which are given in Table C, are considerably higher than those which have hitherto been prescribed for this branch. As a special concession, the Government of India have obtained the Secretary of State's sanction to a reduction by twenty-five per centum of the subscription payable under this table. The difference between the amount of the subscription so reduced and the rate prescribed in Table C will be contributed to the fund by the State. This concession will, however, be restricted to existing subscribers to the fund who either (a) already contribute to the Daughters' Branch or (b) commence to do so within three months from the date of this Resolution.

## RULES.

1. The Fund shall be designated the Bengal and Madras Service Family Pension Fund.
2. The object of the Fund is to provide for the maintenance of the widows and children of those who shall subscribe to it, upon the terms and conditions specified below.
3. All officers in the service of the Imperial or any Provincial Government in India, between the ages of 16 and 50, whose service qualifies for pensions from the General Reserves, shall be eligible to subscribe, with the following exceptions:—
  - (1) Officers of the Indian Civil Service and of the Army, and Officers and Engineers of the Royal Indian Marine.
  - (2) Officers serving in Bombay who are not liable under the conditions of their service to transfer beyond the jurisdiction of the Government of Bombay.
  - (3) Officers who already subscribe to the Bengal or Bombay Unincorporated Service Family Pension Fund.

Explanation.—The term "officers" includes officers in receipt of pension payable from General Reserves. From the following persons who are not in the direct service of Government shall be eligible to subscribe to the Fund, provided that they pay an additional subscription, fixed for the present at one-sixth of the ordinary subscription, namely:—

- (1) Persons transferred to Foreign Service under the rules in part VII of the Civil Service Regulations. If they were subscribers at the time of transfer.

the case of applications for scholarships in the first year university class on behalf of students who have obtained secondary school-leaving certificates, the heads or managers of the institutions which such students have passed should recommend more than three students who in their opinion are most deserving of a scholarship, and they should submit the secondary school-leaving certificates of such students along with their applications to the Director who will nominate the institutions with a view to the award of scholarships.

All applications should be dated. Separate forms should be used for each grade of scholarship. If the form is not large enough, the list should be continued on another form.

(3) All applications for scholarships should reach the Director, the Inspector or the Inspectorate, as the case may be, within six weeks of the publication of this notification, or in the case of scholarship holders in the University classes within three weeks of the publication of the results of the examination in which the scholarships are awarded if such results are published after the date of this notification. Applications submitted after the prescribed date will not be considered.

(4) Scholarships tenable in Higher Elementary schools and in Secondary schools will be controlled by the Inspectors and Inspectorates of their divisions and subject to the conditions, if any, which have been specified in this notification, and those tenable in college classes and for post-graduate study by the Director. Scholarships remaining unappropriated in one class may be utilized for additional scholarships in other classes. The transfer of such scholarships from one class to another will be made by the Director, and Inspectors and Inspectorate will therefore furnish him, before the end of September next, with a statement showing the number of scholarships placed at their disposal, the number sanctioned by them under each head for the different classes of the community, such as Telugu, Mohammedan, Marathi, other backward classes, Native Christians, Europeans, Non-Europeans, etc., and the number available for transfer. Any scholarships vacated in the course of the period for which it is tenable may be awarded for the remaining period to an eligible applicant in the same year of study as the holder of the scholarship vacated. No new scholarship can be awarded to a student in the middle of a course.

(5) The names of the selected applicants will be notified in the case of scholarships sanctioned by the Inspectors and Inspectorates in the District Divisions and in the case of scholarships sanctioned by the Director in Part I-B of the Port St. George Gazette.

(6) Breach of regulations may result in suspension or loss of scholarship for a period not exceeding six months in addition to any action in consequence of serious delinquency; but if the breach occurs in the period, a scholarship is to be granted for the same period. Cases where without suspension or loss of scholarship may be granted for good and sufficient reasons for a period not exceeding three days in the year, provided such leave does not immediately precede a stated granted holiday. Under the above conditions, leave for scholarship-holders in schools may be sanctioned by the head of the institution who shall then report it to the Inspector or Inspectorate concerned. If a scholarship-holder absents himself without good reason on the day specified after the notice for the school or college, the scholarship for the vacation is liable to be withheld under the orders of the sanctioning authority.

(7) No person receiving a scholarship under this notification shall be permitted to hold any other scholarship provided a fully or partly by Government without the special sanction of the Director. Such sanction will be accepted only for very distinguished merit.

(8) In cases where the order of merit cannot be ascertained, or where the number of eligible candidates is in excess of the number of available scholarships, it is open to heads of institutions to hold a competitive examination in one or more subjects with a view to select the most deserving candidate.

(9) All scholarship holders under the above rules are liable to forfeiture for idleness, misconduct, irregularity in attendance, or failure to make due progress or to secure annual promotion.

(10) A scholarship held in any class shall run from the beginning of the month in which the holder joins the class, and shall not continue to be drawn after he ceases to attend it.

(11) The scholarships are payable monthly and in advance.

(12) The scholarship sanctioned may, on the scholarship holder's promotion to the next higher class, be either renewed or increased at the same given stage, provided the scholarship holder's progress and conduct have been satisfactory. Applications for renewal or increased scholarship shall be submitted in the previous 4 years. The institutions referred to above regarding the supply of forms and the date and manner of submission of such applications shall apply equally to the submission of applications for renewal or increased scholarships.

The scholarships already sanctioned to pupils of the third form of secondary schools under the Scholarship notification of the previous years may be renewed and increased in the fourth, fifth and sixth forms.

(13) In addition to the register required to be maintained under rule 10 of the Madras Educational Rules, or equivalent rule covering the following information shall be maintained by the heads of institutions concerned and shall be produced at the time of the departmental inspection of the institutions:—

## SPECIAL TEST EXAMINATIONS—OCTOBER 1911.

## NOTICE TO CANDIDATES FOR THE PENCIL-WRITING TEST.

The following instructions are published in order that candidates may know what is expected of them in the test:—

*Instructions to Candidates.*

1. The object of a pencil test is that any one who has not time to read the original correspondence may, by reading the pencil, be put in possession of all the leading features of what passed.

2. The candidate should begin by reading the whole of the correspondence carefully through without writing anything, so that he may clearly understand what was done in it as a position to be done, what are the main facts under which the important facts should be arranged. He should then read through the paper again, marking what is important.

3. The pencil should begin with a brief and laconic introduction to the subject under treatment. This should be followed by a narrative in the past tense containing a brief and clear statement of the contents of the correspondence, not in the order of the paper but even so far as is chronological order, but in *logical order*. An abstract of every paper in the correspondence or an index of its contents is not a price.

4. The merits of a price are—

- (1) to contain all that is important in the correspondence and nothing that is unimportant;
- (2) to present these in a readable and convenient shape, expressed intelligently and distinctly as possible;
- (3) to be as brief as is compatible with completeness and accuracy;
- (4) to present a strictly accurate and logically connected statement of the contents of the correspondence.

No candidate can expect to pass who omits any one of the most important points; marks will be deducted if unimportant points are included or if facts are repeated unnecessarily; e.g., it is not ordinarily necessary to give the date of every paper in the correspondence and the full name and designation of the writer or recipient of every letter; and if a fact is repeated in different papers, it need not generally be noted more than once in the price.

5. Grammar, spelling, style and handwriting will be considered in assigning marks; but it must be remembered that mere correctness in composition will not compensate for inaccuracy or incompleteness in the presentation of the facts of the correspondence.

(My order.)

Office of the Commr. for Govt. Examinations,  
Madras, 18th July 1911.

G. HARDY,  
Secretary.

(1) The rest of the Presidency with the exception of the Nilgiri district and the Wynad taluk, Arjuna, Tirupattur, the sections including portions of South Arcot and the Annapuram valley of the Malabar district.

(2) The Tiruvattur taluk.

2. Tree-tapping licenses shall be issued on the application—

- (a) of licensed toddy shopkeepers in areas in which the toddy shops are sold by auction or licensed separately;
- (b) of persons having the exclusive privilege of manufacture and supply of coconut toddy at such as foreign liquor;
- (c) of persons having the exclusive privilege of manufacture and vend of sweet toddy in British Ceylon;
- (d) of tappers on their own application in the South Ceylon district, provided the application be signed by an authorized person for the transport of the toddy drawn to some particular shop and that the latter applicant is acknowledged as being entitled to be carried by the shopkeeper to whose shop the toddy is to be taken;
- (e) of tree owners generally, and of sweet-toddy tappers in the Godavari district, and in the Kottagam, Kottagam, Tanai, Elora and Kottagam villages of the Kottagam district, for not more than five trees in the case of tree owners and three trees in the case of sweet-toddy tappers, for the drawing of toddy required for domestic consumption, but not for sale; and
- (f) of toddy shopkeepers or persons in the Mysore territory and in the Bangalore State desiring to obtain toddy from trees growing in British territory.

In cases (a), (b), (c), (d) and (f) the license may be issued in the name of the applicant himself or of his partner, and in case (e) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licenses must first pay the fees (or the first instalment thereof, on the one may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the British treasury, a Taluk treasury or a local treasury. District officers may also accept bonds of village or revenue payments on account of instalment and to grant licenses thereon.

4. (1) Applications for the grant of tree-tapping licenses may be made in the prescribed form to the Inspector, Salt, Abkari and Customs Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of Salt, Abkari and Customs Department, and from all Taluk and Deputy Taluk Officers and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped, those put in by other persons must bear a counter-stamp of one anna. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer; if payment has been made to a village head the receipt must accompany the application. Mysore tappers and shopkeepers applying for trees in British territory should pay the tree tax into the Mysore Amildar's treasury and should present before the British Taluk Officer or Deputy Taluk Officer concerned, along with the application, in form T.T. 8, the receipt with the Amildar's certificate as the fact to the effect that the applicant is a person entitled to tap or a tree-tapping license in Mysore. The tree-tax should be calculated at the higher rate if the trees are not the same as the two sides of the frontier.

(2) Applications for tree-tapping licenses in the South Ceylon district shall be made to the owner of the trees intended to be marked in token of his consent.

5. Toddy shopkeepers in towns adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into British treasuries and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax is to be paid in each case with invariably to the higher rate in force if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore houses alike. The provisions agreed to by the Madras and the Mysore Governments with regard to the issue of licenses for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the restriction of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rest thereto or for other sufficient reason, and the mere payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping houses for trees so restricted.

6. Toddy shopkeepers in British territory adjoining the Bangalore State will be allowed to tap trees in the State on payment of tree-tax, the rate being the same as in the Kanara district. Similarly those in the Bangalore State will be allowed to tap trees in the adjoining British territory.

7. Persons applying for the lease of houses will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8. (1) On receipt of an application, the Inspector, unless he sees special cause to the contrary, will at once take steps for the marking of the trees by an officer superior in rank to a petty officer, and let the issue of the license. Applicants for trees shall go out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the Godavari district and in the Kottagam, Kottagam, Tanai, Elora and Kottagam villages of the Kottagam district, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in groups of trees or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees intended to be entered only shall be included in an application.

10. No trees shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any tap be attached to any toddy tree, until the tree has been marked by the proper officer.

11. For permits and date trees in the Presidency and for District (excepting) trees in South Ceylon, tree-tapping licenses shall be issued, that is, in June from 1st October or any subsequent date in the 10th September immediately following, and for coconut and sugar trees they shall be issued, that is, in June from 1st October or any subsequent date in the 1st March immediately following, and from 1st April or any subsequent date in the 20th September immediately following, except to the case of the trees having been already tapped, when the 1st January may be taken.

22. The following shall be the fees payable on account of each tree for the tapping of which license is applied for:—

District	Cement, palm (for each sack year or defined in rule 11 above)	Sugar palm (for each sack year or defined in rule 11 above)	Palm oil (for each year or defined in rule 11 above)	Rubber (for each year or defined in rule 11 above)
